

A decade from now, people over 65 will outnumber those under 18.  
*With that demographic shift comes a shift in community needs.*

## ***Discover Your Town's Age-Friendly Future***

***... a conference designed to help your community  
become a great place to live and thrive at any age.***

**Friday, Sept. 22, 2023**

**9:30 am to 12 pm** (includes breakfast)

Moses Training and Meeting Center

Bergen Community College

400 Paramus Road, Paramus

**To register, go to [tinyurl.com/Age-FriendlyConference](https://tinyurl.com/Age-FriendlyConference)  
PLEASE SHARE WITH OTHERS WHO MAY BE INTERESTED.**

### **Topics Include:**

- Blueprint of "age-friendly" movement
- How to change the aging narrative
- Age-friendly land-use strategies
- Examples of tangible changes in six current Age-Friendly communities
- Resources communities can use to improve walkability, transportation, programs and services.
- **Funding opportunities!**

### **Who Should Attend:**

Mayors, Council Members, City  
Managers, Borough Clerks, Planning  
& Zoning Officials, Municipal staff,  
Librarians, Civic Leaders, Older Adult
